1970 BUCYRUS FOOTBALL TEAM TO BE HONORED

B UCYRUS, OH (Sept. 10, 2010)– It has been 40 years since Bucyrus football fans have celebrated an undefeated season. In honor of that season, the Bucyrus Athletic Department and Head Football Coach Jake Bruner will be honoring the 1970 Bucyrus Football Team on Friday, Oct. 15, 2010, at halftime of the varsity football game against Ontario.

The 1970 team was led to victory under the leadership of Bucyrus Head Coach Bob Boyles and consisted of 39 players. This monumental group left their mark by setting the best record in school history from 1896 until today. “They are the team that everyone is measured by,” said Bruner. “We are striving to achieve what they accomplished back then today.”

Coach Bruner isn’t the only one eager to welcome the team back. “This will give our kids an opportunity to connect with the tradition of Bucyrus football,” said Athletic Director Tom Jeffrey . “I am really excited about them coming back; I have spoken to several players and have received positive feedback. It should be a fun night.”
