**FOR IMMEDIATE RELEASE**

**BUCYRUS ATHLETIC DEPARTMENT LOOKING TO COMMUNITY FOR DIRECTION**

**BUCYRUS, OH (Oct. 21, 2010)** – The Bucyrus Athletics Department will be holding an Athletic Strategic Plan meeting on Monday, Oct. 25. The meeting will take place at 7 p.m. in the Little Theatre of the Bucyrus Secondary School. Anyone interested in serving on the committee is invited to attend.

“The purpose of the committee is to develop a five-year plan outlining goals for the District’s athletic programs,” said Athletic and Activities Director Tom Jeffrey. “We have had an athletic strategic plan in place before that is now expired, and would like to develop new direction for the programs.” During the meeting Jeffrey will explain the timeline for the project as well as ask members for input and feedback on several questions pertaining to the athletic program as a whole.

Jeffrey encouraged the community to get involved. “I want to model what we did for our District’s continuous improvement plan and have as much community involvement as possible.” For more information about the upcoming meeting, contact Tom Jeffrey at (419) 562-7721.
