BUCYRUS STUDENTS INVITED TO PARTICIPATE IN EDUCATIONAL TRAVEL OPPORTUNITY

BUCYRUS, OH (Sept. 1, 2010) – The Bucyrus Secondary School will be holding an informational meeting on Monday, Sept. 13, for Bucyrus High School students interested in traveling to Spain and Italy in June of 2011. The meeting will begin at 7 p.m. in room C232.

The trip is a direct result of collaboration between departments and marks the first time that an interdisciplinary trip has been organized in recent school history. Participation in the upcoming trip will allow students the opportunity to become well rounded in the areas of history, language and travel. "It increases confidence, curiosity and global awareness. It allows teachers to show their students the world and their potential in it," said Martha H. Doyle, President of EF Educational Tours (Boston), "and it allows students to better prepare for college and careers in today's global economy."

If you have questions or can't attend the meeting and are still interested in receiving information, contact Kevin Fourman or Nancy Fischer at 419-562-7721.
