FOR IMMEDIATE RELEASE

COMMUNITY INVITED TO PARTICIPATE IN OCTOBER MARKET DAY

BUCYRUS, OH (Oct. 7, 2010) - The Bucyrus Academic Booster Club and the Touchdown Club invite the community to participate in a fundraising food program called Market Day. For a complete list of items, pick up an order form at either the Secondary School or Elementary School office, or go online to www.marketday.com. Paper order forms must be completed and returned to the school by Friday, Oct. 10. Internet purchases must be placed by 11 p.m. on Wednesday, Oct. 13, and can be prepaid with a credit or debit card. When ordering online, make sure to use the account number "17248." All items should be picked up and paid for at the conclusion of the school day on Monday, Oct. 18, from 3:30-4:30 p.m. in the High School Commons. Cash, check or Ohio Direction Card will be accepted.

The two clubs have held this monthly fundraiser for several years. Money raised goes to the Bucyrus Academic Boosters for various activities supporting academics for the District and scholarship opportunities for Bucyrus High School Seniors. "Last year eight students received a scholarship as a result of this wonderful program," said Academic Booster Club President Marsha Sheerer. "We've seen positive results over the years thanks to the community's involvement. It's a great way to support our kids while reaping the benefits in return."

The organizations' goal for the year is \$2,000. "We can earn this money without our students going door-to-door, without purchasing products we wouldn't ordinarily purchase, and with the knowledge that all products are of exceptional quality and covered by a satisfaction guarantee," concluded Touchdown Club President Lora Cox.

Market Day offers fresh and tasty dishes, snacks, drinks and cleaning supplies at modest prices, with a portion of every purchase going to support the Bucyrus Academic Booster Club and the Touchdown Club. For more information about the program or if you have questions about how to order, contact Lora Cox at (419) 562-8743.
