NOTICE OF CONSTRUCTION

To: Residents and Business owners along Sandusky Avenue.

From: Anderzack-Pitzen Construction, Inc (APC).

Re: Proposed Construction Improvements for Sandusky Avenue, City of Bucyrus, ODOT PID#77975, APC# 09014.

1. APC will be working for and in coordination with the ODOT and the City of Bucyrus to complete construction improvements to Sandusky Avenue. This work is scheduled to begin on 3/15/10 and conclude in November of 2010. During the work portions of the sidewalks and roads will be temporarily closed. Access along the sidewalk to the store fronts will be maintained during construction.
2. Construction generally includes the removal and installation of new sidewalks, curbs, pavements, lighting and signals.
3. Anderzack-Pitzen Construction, Inc. along with ODOT and the City of Bucyrus will do our best to minimize construction related inconveniences that may occur during the progress of the work.
3. If you have questions regarding the project please contact Sean Cassaro at the City of Bucyrus Engineering Division at 419-834-2021 or 419-562-6767 or me at 419-644-2111.
5. On behalf of Anderzack-Pitzen Construction, I would like to thank you for your patience during this upcoming construction project.

Respectfully,
Michael J. Randazzo
Senior Project Manager
Anderzack-Pitzen Construction, Inc.
